Transcieve IP X10 commands to RF X10 commands

PACKAGE CONTENTS

- 1x TIP10RF
- 1x Powersupply
- 1x Ethernet Cable (RJ-45 type)
- 1x Quick user guide

SYSTEM REQUIREMENT

- LAN: 10Base-T Ethernet or 100Base-TX Fast Ethernet.
- Router (server) with DHCP enabled.
- Transceiver: TM13, CM15Pro, SC9000 or RFX35
- Operation: Android, iPhone or iPad with the free Marmitek X10 Remote app installed.

INSTALLATION

Use the provided Ethernet cable to connect the TIP10RF to your local area network (LAN).

When you connect the AC power adapter, the TIP10RF is powered on automatically.

The TIP10RF will get an IP Address automatically from your DHCP server.

Install the free Marmitek X10 Remote app from the Google play store or Apple Apps store.

Start the app and press the settings button. Select info to complete the configuration.

TECHNICAL DATA

Supply voltage:	100-240VAC 12V 500mA
Power Consumption:	< 2,5W
Transmits X-10 RF Key codes	On, Off, Dim, Bright
RF Transmission Range	Up to 30m free field, up to 20m through walls and ceilings
RF frequency	433,92 MHz
Size (L x W x D) or (L x W x H)	48 x 60 x 23 mm
LED	Light on Transmit
Ambient temperature:	0 ~ +50°C (Operation) -20°C tot +70°C (storage)
Weight	35 grams

Specifications may be modified without prior notice.

SAFETY WARNINGS

- To prevent short circuits, this product should only be used inside and only in dry spaces. Do not expose the components to rain or moisture. Do not use the product close to a bath, swimming pool etc.
- Do not expose the components of your system to extremely high temperatures or bright light sources.
- In case of improper usage or if you have altered and repaired the product yourself, all guarantees expire. Marmitek does not accept responsibility in the case of improper usage of the product or when the product is used for purposes other than specified. Marmitek does not accept responsibility for additional damage other than that covered by the legal product responsibility.
- This product is not a toy. Keep out of reach of children.
- Do not open the product: the device may contain live parts. The product should only be repaired or serviced by a qualified expert.
- Only connect the adapter to the mains after checking whether the mains voltage is the same as the values on the identification tags. Never connect an adapter or power cord when it is damaged. In that case, contact your supplier.
- Automatic switching devices provide comfort, but can also be dangerous. They can surprise people or can ignite clothing hanging over an electric heat source. Please be careful and take appropriate measures to avoid accidents.
- Disconnect the AC/DC Power Adaptor from the Mains, when this device is not in use for prolonged time.

Environmental Information for Customers in the European Union

European Directive 2002/96/EC requires that the equipment bearing this symbol on the product and/or its packaging must not be disposed of with unsorted municipal waste. The symbol indicates that this product should be disposed of separately from regular household waste streams. It is your responsibility to dispose of this and other electric and electronic equipment via designated collection facilities appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. For more detailed information about the disposal of your old equipment, please contact your local authorities, waste disposal service, or the shop where you purchased the product.

DECLARATION OF CONFORMITY

Hereby, Marmitek BV, declares that this TIP10RF is in compliance with the essential requirements and other relevant provisions of the following Directives: Directive 1999/5/EC, Directive 2004/108/EC, Directive 2006/95/EC, Directive 2011/65/eu, Commission Regulation (EC) No 278/2009 of 6 April 2009 implementing Directive 2005/32/EC of the European Parliament. Marmitek is a trademark of Pattitude B.V. | TIP10RF is a trademark of Marmitek B.V. Copyright rests with Marmitek B.V.
